

Global Core Talent Training Support Project Capacity Improvement Assessment

This assessment requires instructors who educate students in the 「Global Core Talent Training Support Project」 to evaluate their knowledge and skills improvements. The result of your evaluation will affect the achievement of 「Global Core Talent Training Support Project」. Please take this assessment seriously based on your observation.

We appreciate your participation.

α **Subject of the assessment** : Global Partner Instructors of 「Global Core Talent Training Support Project」

※ Please create the assessment individually by students

α **Assessment Period** : The assessment will hold twice during the program.

- (1st) Within 1 month of the study program initiation
- (2nd) Within 1 month of program ends.

※ The assessment period applies same when the program switching to remote.

Capacity Improvement Calculation = 2nd Score – 1st Score (Convert to 100 points)

α **Process** :

- Supervision Institution or joint institution delivers the assessment to Global partner instructor
- Global partner instructor takes the assessment and evaluate the students in charge
- Return the assessment to where received

Results are only used for statistical purposes and **personal information is completely protected** in accordance with the Statistical Law (Article 33. and 34.).
